- Its EASY! All you need to do is:
- Please pledge to sell or purchase as many luminary kits as possible. Kits cost \$5.00 each. All proceeds go to Camp Quality.
- There is no need to order any merchandise to have on-hand. Kits are sold in name only then we order what we need according to your sales.
- There is no need to travel or mail any merchandise. We will order the kits and have them ready for lighting at the 2010 ceremony.
- Each kit comes with a bag that can be decorated and a light. All you need to do is supply us with a name or short sentiment that you wish to be displayed on the bag.
- We ask that you diligently keep track of your sales, write legibly and promptly send your order to us by the designated deadline, 04/01/10.
- We ask that you collect cash funds as kits are sold. When the deadline for sales is up, simply send ONE MONEY ORDER or CASHIERS CHECK to:
